Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your committee filed a 48-hour notice disclosing a "last minute" contribution from Michele PAC on 10/28/14. This contribution does not appear on a Schedule A of this report. Please amend your report to include this contribution or provide an explanation of this apparent discrepancy. (11 CFR § 104.3(a)(4)(i))
2. It appears that your committee may have filed a duplicate 48-hour notice. Your committee filed a 48-hour notice which discloses two contributions from Deborah Hamberlin made on 10/28/14 for \$2600; however, this contribution is only disclosed once on Schedule A of your report. Please amend your report to include the additional contribution or provide an explanation of the apparent discrepancy. (11 CFR §104.3(a)(4)(i))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
